Retailers get Loot at GAMA Trade Show

Berkeley, CA, April 10, 2007- TableStar Games will pass out lots of Loot to retailers at the upcoming GAMA Trade Show in Las Vegas on March 23rd - 26th.

In celebration of the release of its newest HeroCard game, HeroCard Orc Wars, TableStar Games is sponsoring a summer-long Win Real Loot promotion. However, retailers attending the GAMA Trade Show will get a sneak preview of the game and the promotion as well as a chance to get some Loot for themselves.

On Tuesday, April 24th, the first forty retailers to the TableStar Games booth #217 will receive a free HeroCard Ranger or Sorceress Expansion deck from HeroCard Orc Wars. On Wednesday, April 25th, the first twenty retailers to the TableStar Games booth will receive a free HeroCard Orc Wars. On Thursday, April 26th, the first forty retailers to the TableStar Games booth will receive a free HeroCard Orc Wars foam sword.

TableStar Games will also be giving away free Legacy decks and HeroCard Orc Wars full color posters all day as well as holding raffles for other prizes.

Retailers not attending the GAMA Trade Show will also be able to participate in the HeroCard Orc Wars Win Real Loot promotion. All retailers have to do is contact TableStar Games beginning May 1st at 510-848-6900 x313 or retailers@tablestargames.com.

Win Real Loot is a summer-long promotion to celebrate the June release of HeroCard Orc Wars. The promotion will feature a national contest, convention appearances, and in-store prize support for retailers. Among the over 500 prizes to be given away over the course of the summer are life-sized replica swords from HeroCard Orc Wars, t-shirts, games, hero decks, mugs, and much more.

HeroCard Orc Wars is a scenario based, asymmetrical fantasy game coming out in June 2007. One player plays a horde of orcs while other players play individual elves. HeroCard Orc Wars adds for more dynamic heroes to the HeroCard universe including the Orc King, Paladin, Ranger, and Sorceress. HeroCard Orc Wars comes as a two player game with the Orc King, Paladin, and five initial scenarios that can be expanded to up to a four player game with any HeroCard hero deck including the Ranger and Sorceress decks.
